Email: anne-marie.jones@naturalengland.org.uk

The event will:

- Explain the principles of Natural Flood Management from very low level interventions through to large schemes
- Outline the direction of Green Finance and benefits of farm cluster groups
- Outline the capital works funding available under the new Rea Demonstrator NFM scheme

Key Speakers: Luke Neal (Shropshire Wildlife Trust) and Richard Maryniak (Farmers for Aqualate)

Representatives available from other organisations including: Severn Rivers Trust, Rea Brook Internal Drainage Board, Catchment Sensitive Farming, NFU, Shropshire Hills National Landscape
